Meet Taylor

I'm the designer behind Toad & Sew. With a background in art and graphic design, I've found my passion in creating modern quilt patterns that inspire today's quilters. My style is all about clean lines, simple shapes, and bold, geometric designs that make a statement. Whether you're an experienced quilter or just starting out, my patterns are designed to be easy to follow and fun to make.

My goal at Toad & Sew is to spark your creativity and help you bring your own style to life through quilting. I believe quilting is a form of self-expression, and that's why I put so much heart into every pattern. I want you to feel inspired to create quilts that reflect who you are and what you love.
